

INTRODUCING THE ALL-NEW

HAVAL H7

WRITE YOUR OWN STORY

For those who set high standards, the **H7** is here to fuel that drive. The captivating stance and distinctive design of this standout SUV are made to set you apart from the crowd.

The all-new HAVAL **H7** offers unmatched levels of high-end comfort, making it the perfect companion for any journey. From the expansive cabin, featuring a massive **14.6" Touchscreen, Off-road Information Display and a Multi-functional Heated Steering Wheel to Advanced Adaptive Cruise Control**, the new **H7** is built to excel both on and off the road.

Model-specific features apply. Please refer to the specifications for details.

RAISING THE BAR FOR PREMIUM SUVs

In a segment dominated by established names, the Haval **H7** arrives as a formidable premium off-road challenger. Combining **innovative design, advanced technology and exceptional value**, it redefines previous SUV expectations.

POWER PACKED

The Haval H7's striking, rugged style is backed by dynamic performance more than capable of matching its looks:

Impressive output across a range of options:

1.5 L Turbo 4X2 HEV* – 179 kW power | 530 Nm of torque

2 L Turbo Petrol 4X2 – 170 kW power | 380 Nm of torque

2 L Turbo Petrol 4X4 – 170 kW power | 380 Nm of torque

With a choice of turbocharged powertrains, including a potent hybrid option, the Haval H7 stands ready to deliver for every driving need.

179 kW

530 Nm

HEV INNOVATION

*Availability of HEV model may be delayed.

Built To Explore

While the all-new **H7** makes a dramatic impression on city streets, it also delivers impressive off-road capabilities, ensuring your most ambitious adventures are within reach. Equipped with a **Rear-Axle Electronic Differential Lock (EDL)** and **Off-Road Information Display**, it's designed to confidently navigate outdoor terrains.

Switch Your Mode

And when the terrain gets really challenging? No problem, just select the appropriate mode and the all-new HAVAL **H7** will get you through to the other side.

- **Off-Road Expert Mode**
- **Intelligent AWD mode: Standard/ECO/Sport/Snow/Mud/Sand/Grass/Uneven road/Auto**

STAND OUT FROM THE CROWD

Let in the sun

The all-new Haval **H7**'s **Panoramic Sunroof** brightens your miles, flooding the cabin with natural light and filling your favourite space with the beauty and tranquillity of the outdoors.

Light the way forward

Illuminate your night driving with the **H7**'s **Height-Adjustable LED Headlamps** and **LED Taillights**, granting you clarity and confidence on the road.

Model-specific features apply. Please refer to the specifications for details.

COMFORT IN MOTION

Designed with Purpose

The all-new **H7**'s interior is designed for ultimate comfort and versatility, with **Leather Seats** featuring **Heating and Ventilation** in the front row, rear seats that fold flat separately for added loading space, a **Heated Multi-Function Steering Wheel** and a **Cooling Armrest**.

SEAMLESS TECH FLOW

Stay connected in the all-new Haval H7 with 14.6" Touchscreen, Wireless Charger, 12.3" Virtual Cluster and Head Up Display delivering critical information at all times.

Immersive systems

The new **H7** features 8 Speakers with premium **DTS** sound, and **Apple CarPlay®** & **Android Auto** for endless entertainment and connection.

Model-specific features apply. Please refer to the specifications for details.

PEACE-OF-MIND REDEFINED

Stay in your lane!

An advanced lane management system with **Lane Departure Warning**, **Lane Keeping Assist** and **Lane Centring**, work together to help prevent unintentional lane drift, aided by **Blind Spot Monitoring** and **Lane Change Assist**.

Smart safety

Experience intelligent safety tech, keeping you, your loved ones and others safe on every drive. The new Haval **H7** features **Rear Cross Traffic Alert**, **Rear Collision Warning**, **Intelligent Evade** and so much more.

Collision-safe

Autonomous Emergency Braking and **Forward Collision Warning** work together to enhance safety by detecting obstructions and alerting you to potential hazards. If necessary, the system reacts instantly to help prevent collisions, providing peace of mind on every journey.
