THE NEW GENERATION

STEED 5

SINGLE CAB

REFLECT ON THE KIND OF LIFESTYLE THIS STEED LEADS.

As a bakkie besotted nation, naturally, we need a workhorse that will put in all the work and get the job done with confidence. The New Generation Steed 5 Single Cab will do just that, and more. Get ready to escape, explore and conquer any demands with more tech-savvy innovations, more standard safety features and a more distinctive style. Whether it's delivery, business, side-hustle or pleasure, you know you can rely on the Steed 5 Single Cab to arrive on the scene with a hunger for more. Perfectly combining the comfort of an office on the go, the versatility of an SUV and the load capacity and capability of a true workhorse.

STEED 5

INTRODUCING THE S AND SX. THE POWER OF OPTIONS.

When life demands more, the Steed 5 Single Cab responds with more. Choose between two state-of-the-art specification levels, the S workhorse model and the full-house SX model. Breakthrough features such as dual front airbags, ABS and EBD, power steering, radio AM/FM with a USB, a 12V power outlet and more come standard across the board. Whereas the adventurous full-spec SX model has extra features for those looking for more, such as rear fog lamps, guard rails, leather steering wheel, 16" alloy wheels, leather seats and rear park distance sensors, among other innovative items.

STEED 5

ALL CONFIDENCE. NO COMPROMISE.

Responsive 2.0 litre diesel engine with 110kw/4,000rpm.
Engine output is increased by 5kW and 15Nm with the torque being delivered earlier in rev range @1,400rpm.

Torque is rated at 320Nm/1,400-2,800rpm paired to a 6-Speed manual transmission.

Option of 2WD and 4WD Drivetrain.

TACKLE WITH TORQUE.

With 110 kilowatts of pure power and 320Nm of just torque, the Steed 5 Single Cab is ready to meet your demands. The 2.0-litre diesel engine is built with the efficiency, acceleration and responsiveness you've come to expect from a mighty workhorse, and is paired with a 6-speed manual transmission to satisfy any drive, whether it's to the campsite or the worksite.

**READY. SET.
DUSTED.**

From the shortest drop-off mission to long day's hauling around town. Cruise through the week and the weekend with added hydraulic power steering, creating the perfect business partner that offers optimal performance. With heavy-duty outer tiedown hooks, you can climb, cruise and conquer from A to B with your precious cargo safely secured.

STEED 5

REFINED AND REVOLUTIONARY

The GWM Steed 5 Single Cab boasts an interior that's like a workspace on the move. Sit back and make those long drives feel short with all the bells and whistles along with generous space. When long days turn into nights, you can count on the adjustable instrument cluster to brighten or dim the dashboard. You'll love the manual 4-way adjustable front seats that keep you comfortable throughout the journey.

- Adjustable instrumental cluster brightness
- Manual 4-way adjustable front seats
- Manual air conditioning
- Luxurious black trim
- Leather door trim panels
- Electronic height-adjustable headlamps
- Radio AM/FM receiver with USB
- 2 Speakers

STEED 5

SAFETY AT ITS CORE.

The Steed 5 Single Cab takes safety seriously so you spend more time enjoying the journey ahead. Sporting a full suite of the latest active and passive safety features, each carefully crafted to keep you and your cargo safe in all conditions.

Dual Front Airbags, that deploy in the event of an impact and ensure safety for you and your passenger.

Parking Rear Sensors (Only SX model) ensure maximise visibility, designed to monitor and warn the driver of rear obstacles.

ABS (Anti-lock Brake System), for increased stopping power and improved braking on demand.

The EBS (Electronic Braking System) provides you with the perfect brake management system, so you can tackle even the most demanding roads with ease.

Speed-Sensitive Central Lock safeguards each passenger with advanced locking the moment you set off on your trip.
