| V (kg)                                 | 26 000                                   |
| GCM (kg)                               | 36 000                                   |
| D/T (kg)                               | 36 000                                   |
| Front Axle - GA/GAU (kg)               | 7 100                                    |
| Front Axle - A/AU (kg)                 | 7 100                                    |
| Rear Axle – GA/GAU (kg)                | 21 000                                   |
| Rear Axle – A/AU (kg)                  | 20 400                                   |
| Litres of Fuel Tank 1 Included in Tare | 15                                       |
| Litres of Fuel Tank 2 Included in Tare | 15                                       |
| Tools Included in Tare                 | Jack, Warning Triangle<br>Basic Tool Kit |
| Spare Wheel Included in Tare           | Yes                                      |
| PERFORMANCE                            |  |
| Gradeability @ V (%)                   | 27                                       |
| Gradeability @ D/T (%)                 | 20                                       |
| Max. Geared Road Speed (Without SLD)   | 110                                      |
| Max. Allowable Speed (SLD for SA)      | 80                                       |
| MAJOR DIMENSIONS                       |  |
| Overall Length                         | 9 730                                    |
| Overall Width (mm)                     | 2 400                                    |
| Wheelbase (mm)                         | 5 700                                    |
| CA – Cab to Bogie / Rear Axle (mm)     | 5 074                                    |
| CE – Cab to End of Chassis (mm)        | 7 664                                    |
| OH – Overall Height (mm)               | 2 790                                    |
| FOH - Front Overhang (mm)              | 1 440                                    |
| ROH – Rear Overhang (mm)               | 2 590                                    |
| Rear Axle Bogie Spacing (mm)           | 1 300                                    |
| 1/2 Rear Axle Bogie Spacing (mm)       | 650                                      |
| EH – Chassis Rear End Height (mm)      | 1 075                                    |
| HH – Ground Clearance (mm)             | 245                                      |
| Rear Chassis Width (mm)                | 850                                      |
| Turning Radius - Curb to Curb (mm)     | 9 200                                    |
| Turning Radius - Wall to Wall (mm)     | 10 200                                   |
