ALL-NEW ISUZU

MU-X

Comfortable Everywhere

Introducing the new ISUZU mu-X

www.isuzu.co.za f t i

ISUZU
With you, for the long run

GET THERE IN STYLE AND COMFORT.

For the thrill seekers and smooth operators.

The ones who dare to take the leap, knowing that boldness doesn't mean we aren't scared, but means that despite fear, we act.

We act by chasing our dreams.

Facing our fears, seeking what sets us free.

We all have places where we need to be.

But what we hold dear to our hearts are the places we want to be.

Wherever these places are...

The ISUZU mu-X is built to get you there.

In style and comfort.

FOR EVERY DAY. FOR EVERYWHERE.

FOR EVERY DAY. FOR EVERYWHERE.

SOPHISTICATION. FOR EVERY DAY. FOR EVERYWHERE.

The ISUZU mu-X offers superior comfort and a remarkable driving experience.

Make an indelible mark with sophistication, and style that provokes envy and turns heads. Encompassing you in safety, the latest ISUZU mu-X is built with outstanding levels of space and comfort that make it a bold new force to be reckoned with.

The combination of sleek flowing lines, cutting-edge technology, and a reliable turbo-diesel engine, deliver a luxurious, exceptional driving experience to surpass all expectation. Making it the ultimate every day, everywhere vehicle partner that carries you through all aspects of life.

ALL-NEW ISUZU
MU-X
Comfortable Everywhere

BOLD STYLING. SOPHISTICATED DESIGN.

Make your mark in the luxurious ISUZU mu-X.

Make a lasting impression, wherever you go. The ISUZU mu-X's powerful, sporty attitude is destined to take on the streets in style, with striking exterior design enhancements guaranteed to impress. Without compromising its proven off-road prowess, the latest ISUZU mu-X rises to new levels of sophistication.

EXTERIOR ELEGANCE

Whether exploring the wild outdoors, on the school run or owning the streets, you'll be showing up confidently, with bold style.

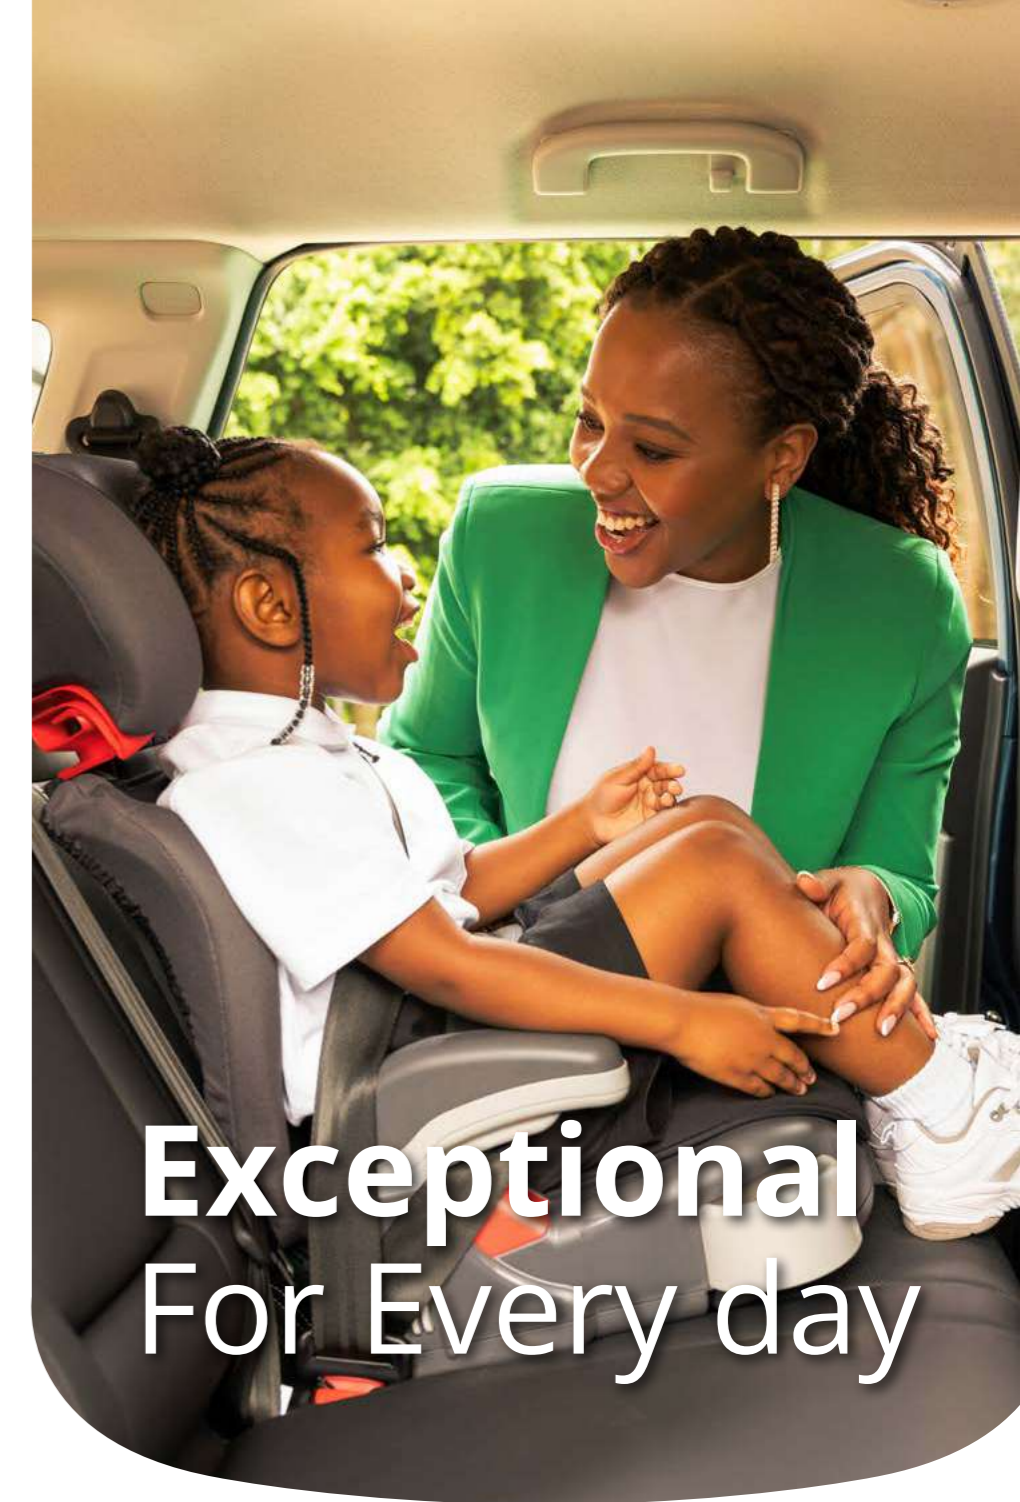

The lighting flow of the ISUZU mu-X is crafted to emphasise the sleek contours of the body-side. A handsome character line travels from Bi-LED headlamps to rear lights enhancing the powerful, elegant lines of the vehicle.

A daring, more stylish rear fascia combines a modern look with an elegant yet unyielding stance, while the rear LED combination taillights and rear spoiler create a uniquely striking effect. All this is complemented by handsome 20-inch alloy-wheels*. The bold new look of the ISUZU mu-X means other road users won't be able to look away as you recede from them.

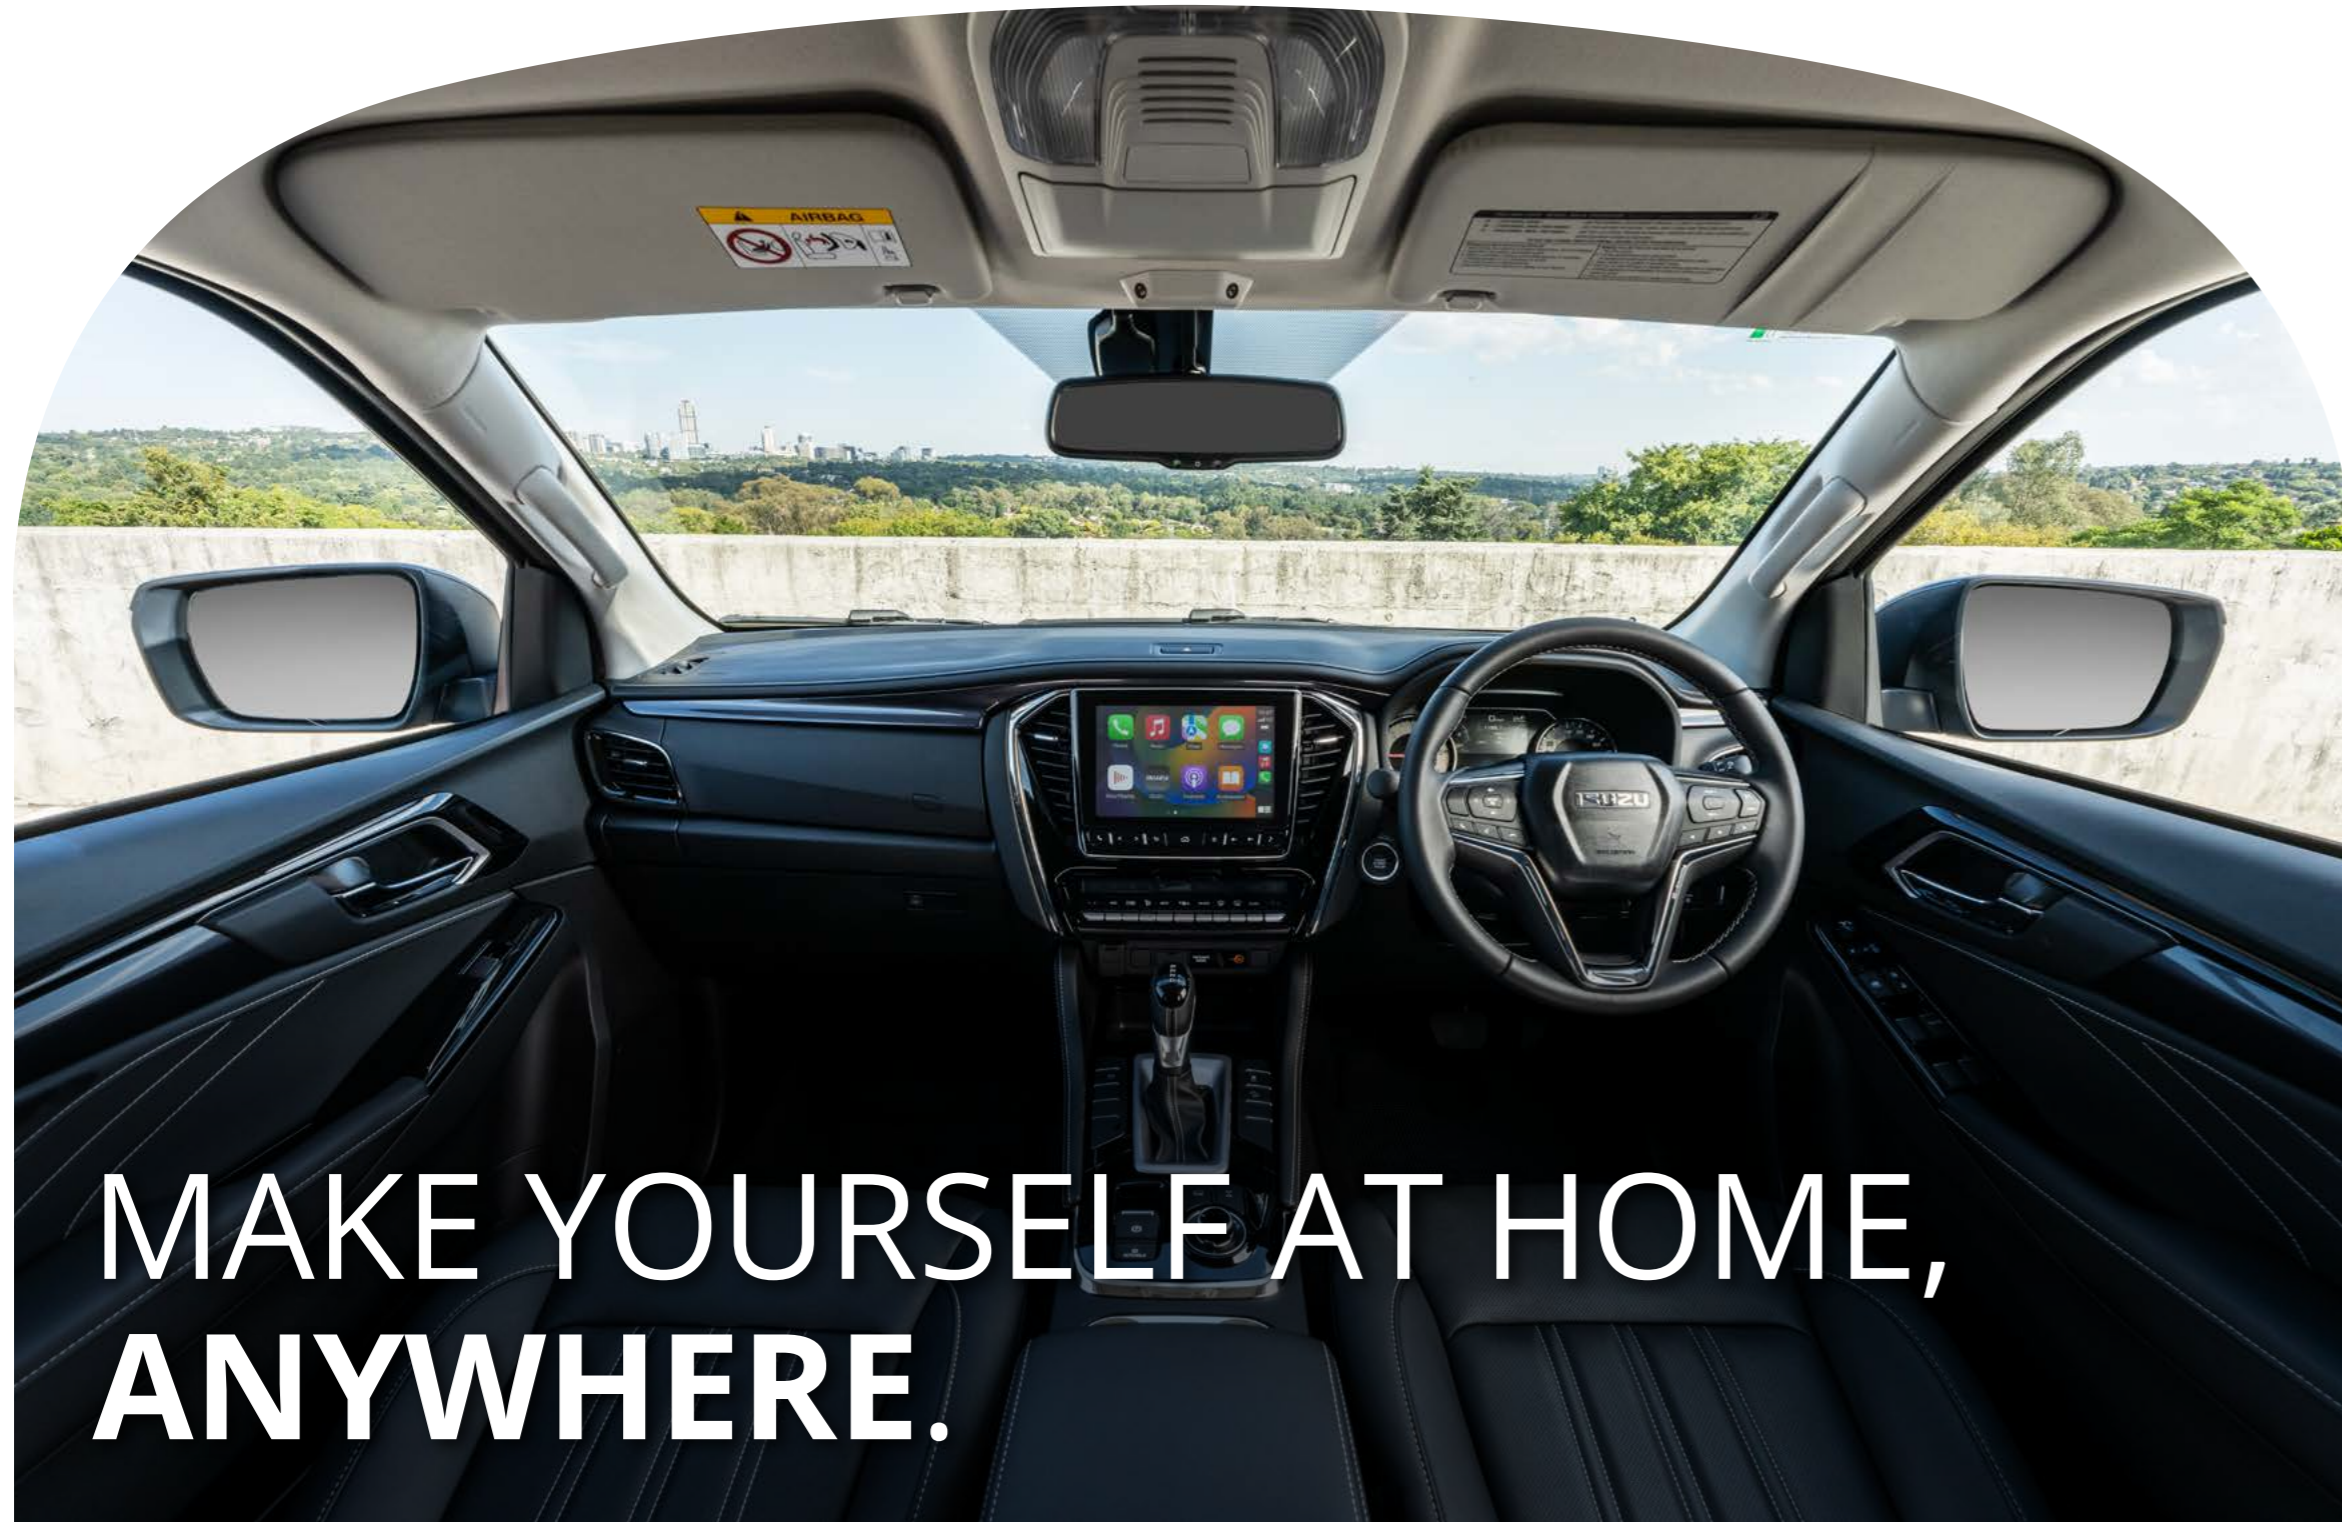

INTERIOR

Designed for everyday comfort wherever you go. Boasting unique styling elements such as ambient lighting* in the door trim panel, hand-stitched partial leather seats** and a soft-touch leather steering wheel. The refined infotainment interface is accentuated by dark magnetite trim and touches of brushed aluminium.

Exceptional
For Every day

*Standard on ONYX models only. **Standard across ISUZU mu-X range.

MAKE YOURSELF AT HOME,
ANYWHERE.

Want to feel like you're stepping into a 5-star hotel every time you get into your SUV?

THEN STEP INSIDE

The luxurious interior styling of the ISUZU mu-X has increased passenger space and enhanced comfort for the driver and all passengers. Whether you're in the heart of the city, an open road, or conquering the toughest terrain, we guarantee that you will make an impression even on the most discerning passenger or driver.

With seating space for 7, there's no reason that anyone should get left behind on any adventure. Additional lumbar support with softer cushioning throughout, there is now an 8-way power adjustable** driver's seat and heated front seats* that will make sure wherever your journey takes you; you will always arrive comfortably.

Need more luggage space for a weekend away or loading up the kids' toys? Convenient seating configuration, featuring second and third row seats that effortlessly fold-away-flat means you'll never be short of space or flexibility. Once you get used to the standard of luxury and refinement on offer, don't be surprised to find yourself wanting to spend more time behind the wheel of the new ISUZU mu-X.

Additional lumbar support and softer cushioning on seats.

Convenient, fold-away-flat seating configuration.

No shortage of space or flexibility.

*Standard on ONYX models only. **Standard across ISUZU mu-X range.

ALL-NEW ISUZU
MU-X
Comfortable Everywhere

CONVENIENCE

Everything you need, where you need it!

Convenience features include a height-adjustable leather steering wheel, climate control for front and back row occupants, heated front seats* and door-trim ambient lighting* – enabling you and your passengers to take on the long road in comfort.

Along with handy USB charging ports front and rear, the new ISUZU mu-X ONYX features a power socket, auxiliary from 12V to 220V via a standard household 2-pin plug*. This handy feature allows the powering of appliances like a laptop, hair dryer or battery charger. An electric park brake with auto-hold engages the brake whenever 'Park' is selected, or you stop in traffic, and packing for a road trip is easy with the addition of a remotely-triggered Power lift gate with step sensor and control switch**.

Adding to driver convenience, the ISUZU mu-X also features automatic, rain-sensing wipers and all powered up/down control windows with Drive one touch, including jam protection. Meanwhile, refreshment is never far away with 12 cupholders spread throughout the vehicle.

*Standard on ONYX models only. **Standard on ONYX and LSE models only.

Easy access to Power socket with auxiliary 220V* heated seating* and USB charging point.

Height-adjustable leather steering wheel, with controls at your fingertips for complete driving comfort and safety.

Dual-zone climate control** for front and rear passengers.

Remotely-triggered Power lift gate with step sensor and control switch** with buttons on the smart key, inside the cabin and on the lift gate**.

ALL-NEW ISUZU
MU-X
Comfortable Everywhere

INFOTAINMENT SYSTEM: Touchscreen, RDS, MP3, Wi-Fi, Bluetooth®, Audio Streaming with Integrated Hands-Free, Apple CarPlay®, Android Auto, Rear-View Camera.

TECHNOLOGY THAT TAKES YOU PLACES

The premium driving and lifestyle experience delivered by the ISUZU mu-X, through the application of state-of-the-art technology, offers a premium driving experience in every environment.

TECHNOLOGY AND WIRELESS CONNECTIVITY AT YOUR FINGERTIPS

Wherever the road takes you, you will be connected and entertained by the ISUZU Infotainment System with a class-leading 9-inch**, high-definition WXGA display – technology commonly used for wide-screen LCD TVs and projectors. And, there's no need to find a signal to access all the system's features, the ISUZU mu-X comes with its own, in-vehicle Wi-Fi.

Compatible with Apple CarPlay® and Android Auto, the system enables access to the full functionality of your smart phone. It also features a state-of-the-art, 8-speaker** audio system with enhanced audio for rear seats, compliments of door-mounted JVC Kenwood tweeters. You never need to worry about getting lost again, thanks to easy connection to a navigation app via Apple CarPlay® or Android Auto.

Driver-critical information is displayed on a cutting-edge, colour-graphics digital

instrument panel, with 3D instrument faces, crystal-effect backgrounds, and light-guide prisms – an innovative gauge design exclusive to the ISUZU mu-X.

The display cluster is also linked to the infotainment system to reduce eye movement during driving and features second as well as third row seatbelt reminders, allowing safety checks without the driver turning around. Factor in a handy, lift-gate opening status indicator and you get significantly enhanced driver awareness.

Another technology win for the ISUZU mu-X is adaptive cruise control*, which automatically maintains present speed and distance from the vehicle ahead, while the stop and go feature maintains the settings for up to 5 minutes once motionless.

Class-leading, 9-inch screen**, ISUZU Infotainment System.

Passive entry/start system with engine push start/stop button and remote start engine.**

State-of-the-art, colour-graphics digital instrument cluster.

*Standard on ONYX models only. **Standard on ONYX and LSE models only.

SAFE SPACE IN ANY ENVIRONMENT

Enjoy comfort and peace of mind wherever you travel with the advanced safety features of the ISUZU mu-X.

ADAS** (ISUZU's Advanced Driver Assistance System) monitors your surrounding environment for danger via sensors and cameras, so your ISUZU stays alert, even when you may not be.

ACTIVE SAFETY

ADAS's** active alert systems and automated interventions (see facing page) are triggered in the event of an imminent collision, assisting the driver to avoid danger.

PASSIVE SAFETY

The passive safety features in the ISUZU mu-X include up to 8* airbags, a robust chassis, and a uniquely reinforced cabin safety cell, with side-impact bars and enhanced side-pole impact protection*.

The safety features of the ISUZU mu-X work in unison to ensure you and your most precious cargo can be transported in absolute safety. Additional security applications offered by the ISUZU mu-X include follow-me-home headlamps, which light up the area while you walk from the car to your home; walk-away auto door lock, which makes sure you never leave the car unlocked.

Exceptional, customised active driver assistance systems enhance safety, giving you peace of mind on your journey in the new ISUZU mu-X.

POST-COLLISION BRAKING [PCB]*:
In the event of a collision, where the airbags are activated and the central locking is automatically deactivated, PCB automatically uses the brakes to help bring the vehicle to a safe stop.

AIRBAGS:
There's no compromise with your new ISUZU mu-X when it comes to the safety of you and your passengers. That's why this impressive new SUV comes with up to 8* airbags.

FRONT AND REAR PARKING SENSORS:
Sensors in the ISUZU mu-X provide feedback on nearby obstacles when parking in tricky spots.

BLIND-SPOT MONITOR [BSM]:**
Your ISUZU mu-X displays a visual warning in your side mirrors, when a vehicle approaches in your blind-spot.

FORWARD-COLLISION WARNING [FCW]:**
Your ISUZU mu-X alerts you when an obstacle is detected in your path, sounding an audible alert and displaying a visual, heads-up windscreen warning.

REVERSING CAMERA with REAR TRAFFIC ALERT [RCTA]:**
Monitors your surrounding area while reversing into traffic, providing visual and audible warnings should an object approach from the left or right.

MISACCELERATION MITIGATION*:
In areas like car parks, your ISUZU mu-X's stereo cameras detect unintentional acceleration and step in to prevent collisions.

AUTOMATIC HEADLIGHTS and HIGH BEAMS:
Your ISUZU mu-X has smart lighting. In low-light conditions it activates the headlights automatically, and on the road it auto-dims high beams when oncoming lights are detected.

AUTOMATIC WINDSHIELD WIPERS:
As an added safety feature, your ISUZU mu-X boasts automatic rain-sensing wipers, making sure the way forward is always clearly visible.

AUTONOMOUS EMERGENCY BRAKING [AEB]*:
Your ISUZU mu-X features automatic emergency braking activated on detection of a potential frontal collision.

REVERSE CAMERA:
Your ISUZU mu-X triggers audio and visual warnings should anything approach from left or right while you are reversing into traffic.

ADAPTIVE CRUISE CONTROL [ACC]*:
Your ISUZU mu-X automatically maintains a preset speed and distance from the vehicle ahead. Stop and Go functionality keeps ACC settings active for up to 5 minutes when stopped.

LANE-KEEPING*:
Should your ISUZU mu-X start to move out of its lane, Lane-Keep Assist (LKA), Emergency Lane-Keeping (ELK) and Lane-Departure Prevention (LDP) help to correct this and prevent collisions.

*Standard on ONYX models only. **Standard on ONYX and LSE models only.

REACH NEW HEIGHTS

STRONGER, LIGHTER, QUIETER

The ISUZU mu-X is available with a choice of two dynamic engine options.

A Powerful 3.0L Turbo Diesel Engine

The legendary ISUZU 3.0L turbo engine gives you the power to tackle anything, anywhere. Coupled with ISUZU's six-speed automatic transmission, you enjoy the power you need on any terrain while enjoying a smooth ride experience in any condition.

A sequential sports mode automatically selects gears according to your driving style, speed, as well as load, and in addition, Sport paddle shifters** which are integrated neatly behind the leather steering wheel.

The Frugal 1.9L Turbo Diesel Engine

Do not be fooled by its size, the 1.9L Turbo Diesel engine still packs a punch. All the luxury and capability of the mu-X with the added benefit of improved fuel efficiency means that travelling to the furthest reaches of the landscape is kinder to your pocket, while day-to-day trips are more economical than ever.

Structural enhancements and an improved power train have boosted off-road performance. Plus, the high-tensile steel chassis, and upgraded

suspension, mean this SUV goes hard, and thanks to a bigger fuel tank, does it for longer than ever.

Independent, double-wishbone front suspension with higher control arms, delivers superior handling for an easier ride, while drive flexibility, and load-carrying benefit from a re-imagined rear Multi-link oil spring suspension.

And, when you're taking on the wilder regions, extra protection is offered via a steel sump and transfer case guard* for the underbody, large fold-away mirrors and upgraded tyres.

Despite improved performance on and off the road, with little disturbance to passengers, the body and frame of the next-generation ISUZU mu-X is now lighter, allowing for improved fuel efficiency and handling performance.

In addition, enhanced noise insulation, including improved rear door sealing, results in a quieter ride, allowing you to enjoy more of the moments on your travels with less distraction from road noise.

Switch to manual control with paddle gear shifters.**

Steel sump & transfer case guard* protect the underbody.

*Standard across ISUZU mu-X 4X4 models only. **Standard on LSE and ONXY models only

3L Engine

Power: 140KW

@ 3600 r/min

Torque: 450Nm
@ 1600-2600 r/min

Fuel Consumption:
7.6 litres per 100Km*

1.9L Engine

Power: 110KW

@ 3600 r/min

Torque: 350 Nm
@ 1800-2600 r/min

Fuel Consumption:
7.0 litres per 100Km*

EVERYDAY PERFORMANCE

Embodied in the notion of “For every day, for everywhere” the ISUZU mu-X ‘s upgraded power train has been stress-tested to maintain performance under the most hostile of conditions allowing for both comfort and power when navigating city streets and the control you need when venturing beyond the tarmac.

With 140kW of power, 450Nm of torque, the 3-litre turbo-diesel engine helps you reach your destination in comfort, with all the power you need to tackle any situation, while returning impressive fuel efficiency.

While the new, more economical 1.9Litre Turbo Diesel engine with 110KW of power, 350Nm torque delivers an economical yet satisfying driving experience.

*Fuel Economy & CO₂ data as per ECE R101 / SANS 20101 Regulation. Note that the actual fuel consumption will depend on many factors, including the driver's driving habits, prevailing conditions and the vehicle's equipment, condition and use. Date of publication July 2023.

FUEL EFFICIENCY THAT TAKES YOU FURTHER

The ISUZU mu-X is up to 80kg lighter and, along with the powertrain improvements and fewer engine components, gives you improved class-leading fuel efficiency so you can enjoy more travels to more destinations and follow your passions wherever they may take you.

Combined urban and highway fuel consumption comes in at just 7.6litres per 100km* with emissions as low as 199g/km*. Improved torque output across a wider rev range enhances performance and fuel efficiency, while the Variable Geometry System (VGS) turbocharger is optimised for power output and engine response.

Smart, ‘grade-logic’ transmission prevents over-revving and unnecessary fuel-burn, by ensuring the ISUZU mu-X stays in the best gear for the situation.

BETTER PERFORMANCE ON & OFF-ROAD

The ISUZU mu-X is set to transform expectations forever of what an SUV should or shouldn't be able to do.

ALL-NEW ISUZU
MU-X
Comfortable Everywhere

WHEN EVERY DAY, TAKES YOU ANYWHERE.

The ISUZU mu-X is the perfect partner for any situation. The 4x4 Models feature a Terrain Command Dial making easy work of the mountains and rough terrain on a weekend-away camping destination.

It also allows for instant switching between 2WD-high and 4WD-high modes at speeds of up to 100 km/h ensuring a smooth transition in comfort and power when needed. Added traction in muddy and technical conditions can also be accessed by engaging 'Rugged Terrain Mode' to help power you out of any sticky off-road situation.

And, when you need to pack more into your adventures, the superior towing capacity of up to 3.5 tones gives you the everyday practicality you need.

Whether it be a destination for your next adventure, the leap of faith to follow your dreams or just a little trip around town, make the ISUZU mu-X your partner for every journey.

ISUZU mu-X, FOR EVERY DAY, FOR EVERYWHERE.

** Towing capacity subject to South African Road Traffic Act. The weight of the towing vehicle including trailer towball load must not exceed the Gross Vehicle Mass (GVM). The combined weight of the fully loaded vehicle & trailer must not exceed the Gross Combination Mass (GCM). Maximum individual axle loads (GA1 & GA2) must not be exceeded. (e.g.: if a 3.0 L Diesel is towing 3,500 kg its Maximum Vehicle Mass is 2,500 kg in order to be within GCM). Date of publication July 2023.
