MAZDA.CO.ZA

M A D E W I T H S O U L

From perfecting the rotary engine and winning the Le Mans race the first time we entered it, to breaking the world record for the most-sold two-seater convertible in history, we are driven forward by the desire to defy convention. We believe that if you can imagine it, we can make it happen.

This desire is the fuel behind everything we create and achieve and now, it has given us **SKYACTIV TECHNOLOGY**, '**KODO – Soul of Motion**' design and countless other successes that were once considered impossible feats. These pages show how striving to do what others cannot is not only rewarding but also integral to creating innovative, beautiful cars.

MAZDA CX-30

BEAUTY YOU CAN FEEL

THE ALL-NEW MAZDA CX-30

The all-new Mazda CX-30 is the ultimate picture of breathtaking design and human centricity. With every last detail put together with you in mind, from performance to interiors to technology, it'll leave you feeling like it was made just for you.

CRAFTED TO PERFECTION

The Mazda CX-30 is a car designed to catch your eye and give you a ride second to none. This new exhibition of Mazda's 'KODO – Soul of Motion' design philosophy sees everything brought together perfectly in a way that considers your every movement as it glides on the road.

BEAUTY BY SUBTRACTION

Every element of the Mazda CX-30 has been created with the intention to further strengthen the connection between car and driver. A less-is-more approach has been followed to develop a cabin that's as beautiful as it is functional.

NEW LEVEL OF INTERIOR CRAFTSMANSHIP

Quality is abundant from top to bottom. Beautifully crafted detailing covers key components like the dashboard, centre console and door panelling while the driver's comfort is elevated with the 10-way power adjustable seat for a grand drive.

INSTINCTIVE TECHNOLOGY

Every piece of driving technology has been honed to provide an unparalleled sense of control and enjoyment. The Head-Up Display has been carefully designed to present only the most relevant information in the simplest fashion. The meter cluster now features a vibrant 7-inch TFT display while on the steering wheel, switches are streamlined and better integrated for superior functionality and beauty.

CONNECTED IN EVERY WAY

Enjoy the latest in connectivity with the Mazda Connect system displayed in stunning clarity on an 8.8-inch widescreen display. With Apple CarPlay™ and Android Auto™ as standard, you can access your compatible smartphone's contacts, social media, music and more at the touch of the button.

ENGINEERED TO EXHILARATE

The strict adherence to the philosophy of 'Jinba-Ittai' with the sense of a car and driver as one, has created a driving experience that's true to the all-new Mazda CX-30. G-Vectoring Control Plus (GVC Plus) offers unprecedented levels of confidence inspiring controllability, while the SKYACTIV-G petrol engines deliver exhilarating performance.

AN INTUITIVE EXPERIENCE

The all-new Mazda CX-30 consists of intuitive features that transform your drive into a truly effortless one. The auto levelling headlamp system, which also complements the vehicle's safety features, adjusts the inclination of the headlamps based on your car load to avoid blinding oncoming traffic. The Mazda CX-30's style is as eye-catching as your own. Even when stationary, the power fold mirrors will not hinder the unmistakable style of the Mazda CX-30.

THE EVOLUTION OF SAFETY

True peace of mind is at the forefront of the all-new Mazda CX-30. A higher concentration of ultra-high tensile steel reinforces the chassis, while a newly developed knee airbag for the driver's seat is not only a first for Mazda, but comes as standard equipment. Paired with the latest in safety technology, like Dynamic Stability Control (DSC), every grade of the all-new Mazda CX-30 takes safety to another level.

MAZDA CX-30 2.0L ACTIVE (AUTO)

2.0L ACTIVE FEATURES INCLUDE:

- Max power (kW @ rpm): 121 @ 6000
- Max torque (Nm @ rpm): 213 @ 4000
- i-Stop
- LED headlamps
- Auto headlamp levelling
- Front fog lamps - LED
- Headlamps auto on/off function
- Front rain-sensing wipers
- Auto fold mirrors
- Airbags SRS: Driver, passenger, knee (driver), side & curtain
- Passive collision signal: Hazard only
- Leather-wrapped steering wheel
- Leather-wrapped: gearshift knob
- Head-Up Display (HUD)
- Keyless ignition
- Cruise control
- Electronic Parking Brake (EPB)
- MZD Connect system
 - 8.8-Inch display screen
 - Commander dial
 - Apple CarPlay™ & Android Auto™
 - USB connectivity ports - 2 ports

Service Inspection Symbols

I - Inspect
R - Replace
C - Clean
S - Set
T - Tighten

Remarks

*(1) - Implement fuel injection amount correction.

*(2) - Also inspect all auxiliary belts, if installed. If the vehicle is operated primarily under the following conditions, inspect the drive belts and auxiliary belts more often than recommended (Servicing Dealer to advise customer accordingly).

- a) Driving in dusty conditions or in a mining area.
- b) Extended periods of idling continuous low-speed operation.
- c) Short distance driving.
- d) Operating the vehicle in extreme cold or hot conditions for long periods.
- e) Driving the vehicle in mountainous conditions for long periods.

*(3) - If the vehicle is operated primarily under the following conditions, inspect the drive belts and auxiliary belts more often than recommended (Servicing Dealer to advise customer accordingly).

- a) Driving in dusty conditions or in a mining area.
- b) Extended periods of idling or continuous low-speed operation.
- c) Short distance driving.
- d) Operating the vehicle in extreme cold or hot conditions for long periods.
- e) Driving the vehicle in mountainous conditions for long periods.

*(4) - Use only manufacturer-specified coolant.

*(5) - If the vehicle is operated in dusty or sandy areas, the filters must be inspected, cleaned or replaced more regularly (Servicing Dealer to advise customer accordingly).

*(6) - If operating the vehicle in extreme cold or heat, inspect electrolyte and specific gravity more regularly (Servicing Dealer to advise customer accordingly).

*(7) - Replace the brake fluid more regularly if the vehicle is continuously loaded, driven in mountainous conditions, exposed to hard driving conditions or operated in humid conditions.

*(8) - If the vehicle is subjected to the following conditions, the differential oil need to be replaced at 60 000 km.

- a) Towing.
- b) Driving in dusty conditions or in a mining area.
- c) Short distance driving.
- d) Operating the vehicle loaded continuously.
- e) Driving the vehicle in mountainous conditions for long periods.

*(9) - Replace if the component or vehicle was submerged.

*(10) - Perform wheel alignment more regularly if the vehicle is used on rougher road surfaces, driven off-road or on dirt roads (Servicing Dealer to advise customer accordingly).

MAZDA CX-30 2.0L SERVICE AND PRICING GUIDE

Take the guesswork out of service pricing. Use the service schedule guide below to view current service details and costs.
