

70 Series AS RUGGED AS AFRICA

The indestructible Land Cruiser 70 series surrenders to no challenge; it is steadfast and bold. This range of vehicles is built to perform and work as hard as you do, which is why they have been at the helm of 4x4 African motoring for more than 60 years. A 4.5 litre V8 engine with 151 kW of power and 430 Nm of torgue is now available in the Station Wagon, Single Cab and Double Cab ranges. Tackling the toughest of terrains with ease, the Land Cruiser 70 series is truly as rugged as Africa.

70 Series 76 STATION WAGON EMBARK ON AN AFRICAN ADVENTURE

If you're planning on venturing into the wild open country, the Land Cruiser 76 Station Wagon is the perfect vehicle to see it all and get away from it all. Its spacious interior can seat up to five adults in comfort with extra space for luggage. The vehicle also has a fuel capacity of 130 litres to take you further into the wilderness.

The Land Cruiser 76 Station Wagon has the flexibility of a five-seater with the formidable ability of a 4x4, making it the perfect vehicle to witness the wonder of nature with the whole family. The Land Cruiser 76 is also available in a 4.5 litre V8 engine with 151 kW of power and 430 Nm of torque, an option that will turn any mountain into a mere molehill.

The Interior

Even though the Land Cruiser 76 Station Wagon is about roughing it in the great outdoors, its interior is comfort-centred. A rear console helps keep everything in its place, plus the back pockets on the driver and front passenger seats give the rear passengers space to store whatever they need for the journey ahead. A rear bench adds extra seating space for up to five passengers, while the station wagon's impressive proportions allow ample legroom for all its occupants. For convenience, the Land Cruiser 76 has electrically adjustable windows. To keep your head nodding on the long trips, an audio system with Bluetooth and a USB input comes standard. A navigation system ensures that you're always in control of your route.

The Exterior

The Land Cruiser 76 is much more than a station wagon! Everything about it is rugged, from its imposing 230 mm ground clearance down to the 16" alloy wheels. Its already strong-featured look is taken to the next level with the painted and plated front bumper, while the aluminium side steps make getting in and out of the Land Cruiser 76 simple. The rear combination lamps make sure you're seen at night.

^{70 Series} 78 WAGON GOBEYOND THE USUAL

Designed to tackle the toughest terrain and the most demanding jobs, the multi-purpose Land Cruiser 78 wagon is both the ideal off-road people carrier and guaranteed to get any type of job done. A total fuel tank capacity of 180 litres makes it ideal for long trips in remote areas where petrol stations are few and far between. With the wagon any job, anywhere is doable.

THE EXTERIOR

Virtually indestructible, the Land Cruiser 78 Wagon is powerful and easy to maintain even in isolated places. Its exterior styling is as robust as its off-roading performance with its extended front bumper, front fog lamps, rear combination lamps, front and rear mud-guards, rear and side steps completing this vehicle's all-powerful looks.

THE INTERIOR

The interior offers ample space and comfort, with increased head clearance and air conditioning. The easy-to-clean vinyl floor only requires a wiping down to keep it clean and spotless. For convenience, the Land Cruiser 78 Wagon has electric windows, and for safety a day/night interior rear-view mirror. The Land Cruiser 78 Wagon also comes equipped with a high-grade speedometer and tachometer.

70 Series 79 SINGLE CAB BRAYELY COMBAT THE TERRAL OF COMBAT

This vehicle is the ultimate workhorse for the tough African environment. It has got the power to take charge of the most demanding conditions and even with a full one-ton load, this pick-up will go wherever you take it. It is also available in a 4.5 litre V8 engine with 151 kW of power and 430 Nm of torque that will give your Land Cruiser extra staying power to go where most wouldn't dare.

THE EXTERIOR

The Land Cruiser 79 Single Cab is reliable through and through. Its all-welded integral cabin provides extra strength and safety, which reduces dust/water entry and corrosion that could result from deep water driving. The heavy-duty frame, suspension and drivetrain ensure it can carry the heaviest of loads, both on and off-road. This is aided by the super long wheelbase of 3180 mm. Front fog lamps, alloy wheels and chrome finishes on the grille and door handles make the Land Cruiser 79 Single Cab not only practical but adds an edgy style to it as well.

THE INTERIOR

The interior of the Land Cruiser 79 is not only practical, it's built to be comfortable for the driver and passenger no matter where their work takes them. An air conditioner to ensure you're never at the mercy of the weather, regardless of the temperature outside, is a standard feature. Front bottle holders to keep your drinks spill-free, and the lockable glove box to safely stow-away your possessions are two other standard features. For convenience, the Land Cruiser 79 Single Cab also has electrically adjustable windows.

70 Series 79 DOUBLE CAB DO ANYTHING, EXPLORE EVERYWHERE

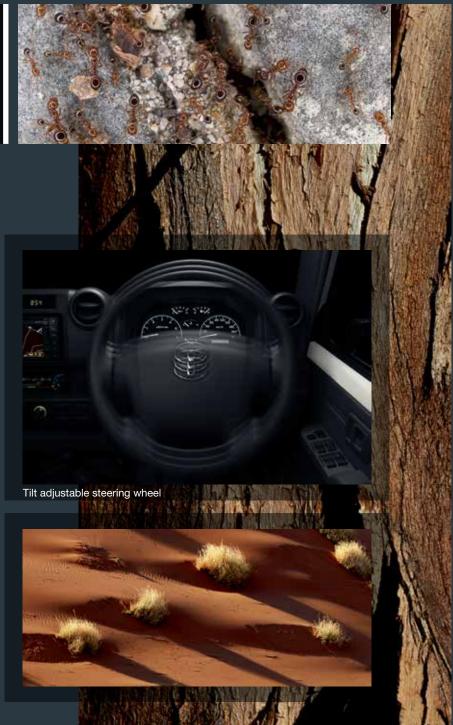

The Land Cruiser 79 Double Cab comes equipped with the durability of the Land Cruiser 79 Single Cab and the extra advantage of rear seating space in the cabin. The Double Cab is multi-functional – it's strong enough to carry heavy loads and is versatile enough to transport five occupants in comfort. The Double Cab is also available in a 4.5 litre V8 engine with 151 Kw of power and 430 Nm of torque, so you can get anyone or anything - anywhere.

THE EXTERIOR

Taming the African wild is no mean feat. A certain resilience is needed, something the Land Cruiser 79 Double Cab has got in bakkie loads. This vehicle delivers a go-anywhere carrying capacity in style. The Land Cruiser 79 comes standard with chrome finishes on the grille and door handles, aluminium side steps, as well as front fog lamps. The load bay is 1525 mm in length and 1600 mm wide with a load capacity of between 920 kg and 1005 kg, depending on which model you choose.

POWER OVER THE WILDERNESS

The Land Cruiser 70 range is suited for any call up; its three powerful and reliable engine options conquer the toughest of terrains. The 4.2 litre diesel engine delivers power of 94 kW @ 3800 and 280 Nm @ 2200 r/min on the Land Cruiser 76, 79 Single Cab and 79 Double Cab, whilst delivering power of 96 kW @ 3800 r/min and 285 Nm @ 2200 r/min on the Land Cruiser 78. The 4.0 litre petrol engine available only on the Land Cruiser 79 Single Cab and Double Cab delivers power of 170 kW @ 5200 r/min and torque of 360 Nm @ 3800 r/min. The Land Cruiser Station Wagon, Single Cab or Double Cab are available with a 4.5 litre V8 engine with 151 Kw of power and 430 Nm of torque, running on a 5-speed manual transmission to conquer even the most seemingly impossible challenges.

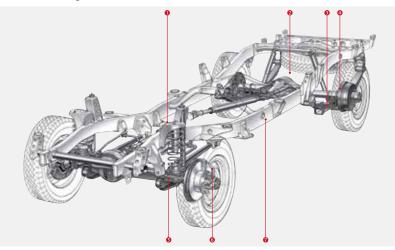

The Land Cruiser 70 range features a 5-speed manual transmission and an additional 4-position 4-wheel drive transfer lever, giving the driver maximum control. Its coil spring rigid axle front suspension, in combination with its long wheelbase, offers outstanding directional stability at any speed, in any condition. A leaf spring rigid axle rear suspension ensures that occupants are always comfortable. The Land Cruiser 76 has an impressive ground clearance of 230 mm, while the Land Cruiser 78 and 79 models are 235 mm above the ground, allowing the vehicles to handle off-road conditions with confidence.

PROTECTION FROM THE ELEMENTS (and anything else Africa throws at you)

It takes ultimate courage to stand up to the challenges that make Africa uniquely African. The Land Cruiser 70 range is confidently geared to withstand whatever perilous conditions it encounters; its safety and security standards are class-leading.

Driver and front passenger airbags are standard on all models, and the extended front bumper prevents unnecessary airbag response when driving off-road. The Land Cruiser 70 range comes with an additional safety feature, the Anti-lock Braking System (ABS) which prevents wheels from locking up when driving on slippery surfaces. Rear differential on all models give extra traction to the rear-wheels to help you negotiate your way out of difficult situations. Ventilated front and rear disc brakes make stopping easier on any terrain. For security and peace of mind, all the vehicles in the Land Cruiser 70 V8 models are fitted with an immobiliser, wireless door lock on the entire range.

- Coil spring front suspension for good road holding and ride comfort
- 2 Heavy duty, durable differential pinions (Single Cab)
- **1** Long rear leaf springs
- 4 Strong and durable drive shafts
- **5** Durable solid front axle
- 6 Ventilated front disc brakes
- 7 Extra-strong heavy duty ladder frame

TOYOTACARE

Keeping your Toyota Genuine

Buying a Toyota signals the start of an exciting journey, from the moment you take ownership of your vehicle until the day you trade it in. With ToyotaCare, our endeavour is to provide specialised vehicle maintenance and outstanding customer service throughout this journey. Keep Your Toyota Genuine with our range of Genuine Products and Approved Services to ensure an unparalleled ownership experience and complete peace of mind.

Toyota Genuine Products

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. Genuine Parts comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to Toyota Accessories, developed by engineers with extensive knowledge on vehicle integration - you can enhance the appeal and functionality of vour Land Cruiser 70 series model without compromising its safety features or warranty. Warranties are about peace of mind, and the Genuine Extended Warranty is designed to provide superior cover (up to 6 years or 220 000 km) and a seamless claims process thanks to full integration with Toyota systems. The optional Genuine Extended Service Plan also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 7 years or 200 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect your Land Cruiser 70 series model's resale value by means of a full service history.

Toyota Approved Services

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. Toyota Quality Service not only promises accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have vast number of Accredited Body and Paint Repairers, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, Toyota Roadside Assistance provides the peace of mind that competent support is only a phone call away.
